The Cynthiana Democrat says there is only one claim for damages on account of the falling in of the tunnel on the Maysville branch on the L. and N. week before last. Nobody was hurt, it will be remembered, but the engine was stuck in the tunnel and the only way to reach the transfer train and get to Maysville was to walk over the bill. The passengers did this willingly with the exception of one man. He soiled his shoes and has put in a claim for six dollars.

NEW ORLEANS, Jan. 29.—An official statement that there will be no joint reunion of Confederate and G. A. R. veterans at the next annual Confederate reunion in June at Birmingham, Ala., was issued here tonight by Adj. Gen. William E. Mickle of the Confederate veterans. Gen. Mickle said that the proposed joint reunion is impossible under the terms of the Confederate veterans' constitution, which forbids any officer, or the reunion city, from inviting any person except Confederates to the reunions.

THE HOMELESS

Wandering Willies Thick Hereabouts
---Pity the Friendless

"Now is the winter of our discontent," is the plaintive wail of the homeless and friendless wandering hobo as he aimlessly tramps the street by night seeking shelter and repose by some friendly fireside, and by day the pest of the good housewife as he appears at the kitchen door seeking a hand-me-out to appease his hunger.

"Seek and ye shall find; knock and the door shall be opened unto you," are injunctions that oftentimes sadly go awry with these vagabonds of the earth.

Maysville at present is suffering with an influx of the pestiferous wanderers, and the Night Police have their hands full in watching incoming trains in order to keep them on the move and not dropping off here.

We have been informed that they actually want to break into Jail and its a hard matter, in some instances, to keep them from doing so. Evidently they have heard of the excellent grub furnished at Hotel de McIlvaine and are anxious to become a boarder, at least, until the bluebirds come and spring is here.

SECRETARY OF WAR TAFT has been around the world seven times. We don't know how to comment on the above; only have to remark that Mr. TAFT has been a-going some.

BISHOP HENRY YATES SATTERLEE of the Episcopal Church delivered himself recently of his views on prohibition before the Women's Interdenominational Union in Washington. The Bishop's utterances on prohibition aroused some comment among the temperance workers, who are trying to prevent the issuance of a license to operate a bar in the new \$10,000,000 depot. The Bishop, when called on, spoke at some length but began his talk by saying:

"I am opposed to prohibition when the moral sentiment of the community cannot enforce such laws. Such a condition prevails in the District, and for this reason alone I am opposed to prohibition."

The movement to make the District of Columbia dry is agitating the minds of the advocates of prohibition in the Capital, and Bishop SATTERLEE's statement has aroused considerable discussion.

Now, we have Bishop POTTER, Bishop SATTERLEE, Rev. BURRIS A. JENKINS and a host of other eminent churchmen who all declare that the present system of local option and so-called prohibition is working wrong and is wholly inadequate as temperance measures and does not meet the ends sought.

The war on consumption is being waged all over the country.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

NO BALLOT

Till Next Tuesday-- Kentucky Legislators Have Chance to Cool Down.

Bradley Now Has the Call For the Senatorship.

FRANKFORT, Ky., Jan. 31st.—With the long adjournment to Tuesday ahead, the Capital City is deserted of legislators, most of the members taking advantage of the interim to return to their homes and spend the time free from legislative cares.

The long adjournment is customary at every session in order to allow the Joint Committees on Charitable Institutions and Penitentiaries and Houses of Reform an opportunity to visit the eleemosynary and penal institutions of the State and gather data for an intelligent report to the General Assembly, as all appropriations for improvement are based upon these reports.

The purpose of Speaker Gooch in having perfunctory joint ballots taken today and tomorrow in the election for United States Senator will tend in a measure to relieve the monotony until the contest is resumed with renewed vigor next Tuesday at noon.

Governor Willson on his re-

turn here from Louisville, where he underwent a siege of the prevailing grip, went direct to his office and was soon head over heels in work that had accumulated during his absence.

MRS. ELIZABETH JOHNSON.

Many hearts were saddened yesterday by the announcement that as dawn ushered in the day, the gentle spirit of Mrs. Johnson passed from time to eternity. While she had been complaining for some time no alarm was felt until Thursday morning and then a fatal termination to the illness was not anticipated, but a marked change occurred at 5 a. m. yesterday and one hour later Death gently stilled the tender heart.

In 1832 Elizabeth Payne was born in Kentucky, but at an early age went to Virginia where she was reared and educated. She married the late Mr. James A. Johnson of this city in 1852 and for more than a half century her useful life has been spent amongst us.

Mrs. Johnson's heart never sheltered unkindness, her spirit was love itself and in the benign discharge of daily duties, in the constant doing of kindly deeds, she walked tranquilly through her honorable and honored years, passing to the Great Beyond with the Christian resignation that makes death "life everlasting," mourned by her devoted family, her countless friends with the sincerity that is sorrow's truest tribute.

The funeral will be at 2:30 Monday afternoon from the Episcopal Church

The home laxative should be safe

This one is. A good physic should always be kept in the house. Nearly every affliction to which the human body is heir, from a slight cold to a severe attack of liver or kidney trouble, is in a great degree due to improper bowel action and can be more quickly relieved and cured by cleansing the bowels than in any other manner. The home remedy should be safe for all members of the family who may be required to use it. The average physic, such as the alleged mineral waters, which are nothing more or less than preparations of salts and carbonated water—similar to soda water—candied pellets and pills, will move the bowels, but in doing so they often leave the patient weak. No one should ever take a physic which makes him weak. If such a remedy is continued a terrible habit is created which will make it necessary that a physic be administered before the bowels can be induced to perform their functions.

Dr. Caldwell's Syrup Pepsin

is a safe remedy for the home. It is a stomach tonic which gives strength to the entire system and makes it possible for the bowels to act without further aid. It is so pleasant to take that children like it. It never causes pains or griping. All druggists sell Dr. Caldwell's Syrup Pepsin at 50 cents and \$1.00 a bottle.

Money back if not satisfied. Pepsin Syrup Co. - Monticello, Ill.

HUNG JURY
Thaw Case Still Unsettled After 12
Hours Deliberation

NEW YORK, Jan. 31.—After waiting for
nearly twelve hours for the jury in the Thaw
case to report, Justice Dowling shortly after
11 o'clock tonight ordered the doors of the
Juryroom locked for the night and adjourned
Court until 10:30 o'clock tomorrow morning
when he will hear any report they have to make.

The rumor persisted throughout the evening
that the Jurors were hopelessly divided eight
to four. Mr. Littleton of the defense, ex-
pressed the belief that the majority favored a
verdict of not guilty.

Jerome said: "Nobody can tell what the
jury will do, so what is the use of speaking?"
Thaw retired disconsolately to his cell.

Mrs. Evelyn N. Thaw remained at the Crimi-
nal Court waiting for the jury to come in.

Suits aggregating \$60,000 damages have
been filed in the Federal Court at Richmond to

INDICTMENT
Against Tobacco Trust--Grand Jury
in Franklin County Says It Is
in Restraint of Trade

The Franklin County Grand Jury returned an
indictment against the American Tobacco Com-
pany, alleging that it is a corporation having
as its purpose the restraint of the tobacco trade
in that county.

F. H. Toewater, of Lexington, manager of
the leaf department of the barley district;
Harry Weissinger, of Shelbyville, a former
manufacturer; C. C. Vogt, of Louisville, a manu-
facturer, and W. E. Thompson, President of the
Franklin County Board of Control and foreman
of the grand jury, signed the indictment.

Attorneys who have read the indictment say
that the grand jury left no loopholes through
which the company can escape prosecution.

DANGER IN DELAY.
Kidney Diseases Are Too Dangerous
For Maysville People to Neglect.

The great danger of kidney troubles is that
they get a firm hold before the sufferer recog-
nizes them. Health is gradually undermined.
Rackache, headache, nervousness, lameness,
soreness, lumbago, urinary troubles, dropsy, di-
abetes and Bright's disease follow in merciless
succession. Don't neglect your kidneys. Cure
the kidneys with the certain and safe remedy,
Doan's Kidney Pills, which has cured people
right here in Maysville.

Mrs. J. E. Burns, living on the Blue Run
Turnpike, West End, Maysville, Ky., says:
"My opinion of Doan's Kidney Pills which I
expressed through our newspapers in the spring
of 1900 has not altered. I value this prepara-
tion more highly today than I did when I gave
my first testimonial. Before I got Doan's Kid-
ney Pills at J. Jas. Wood & Son's Drug
store I was troubled with severe spells of
backache and kidney complaint which came on
every few months, and there were times when
I was confined to my bed and rendered almost
helpless. The quick and decided benefit I re-
ceived from Doan's Kidney Pills was wonderful.
I have noticed slight returns of backache since,
but an appeal to their use has never failed to
quickly and positively check the trouble. In
every case I know of where Doan's Kidney
Pills have been used the results have always
been satisfactory."

What is medicine for? To cure you, if sick, you say.
But one medicine will not cure every kind of sickness, because different
medicines act on different parts of the body. One medicine goes to the liver,
another to the spine, Wine of Cardui to the womanly organs. So that is why

Wine of Cardui
has proven so efficacious in most cases of womanly disease. Try it.

Mrs. Wm. Turner, of Bartonville, Ill., writes: "I suffered for years with female diseases, and doctored
without relief. My back and head would hurt me, and I suffered agony with bearing-down pains. At last
I took Wine of Cardui and now I am in good health." Sold everywhere, in \$1.00 bottles.
